VISION & MISSION

Our vision is sustainable and holistic growth of India. Our mission is to contribute to Viksit Bharat 2047 through technology, renewable energy, education and collaborative business initiatives.

BUSINESS FOCUS

IT & Digital Infrastructure

IT hardware, software and support, with an ambition to develop university IT parks and strengthen the IT infrastructure ecosystem in Jamshedpur.

Sustainable Energy

Solar and battery ecosystem services, integration, support and management, with a focus on sustainable energy solutions.

Real Estate & Business Marketing

Real estate marketing, business promotion and integrated marketing services.

Education Technology

Education technology initiatives and IT infrastructure support for schools, colleges and universities.

Live Events & Artist Management

School and college events, festivals, live event coordination and artist management.

INSTITUTIONAL COLLABORATION

ISHP seeks collaboration with businesses and educational institutions across its areas of focus. Visit our website to explore services, leadership and support enquiries.
